CYPRESS

Age Level	High School
Academic Learning Profile	A Cypress student learns successfully in diverse groupings, including small and whole group instruction. A Cypress student monitors her/his own behavior to learn independently. Students can earn a modified or a standard diploma.
Regulation Skills	A Cypress student self-reports feelings, uses complex descriptors, and employs various self-regulation strategies (with limited support).
Communication Style	Cypress students primarily use expressive (verbal) speech.
Academic + Specialist Programs	● Individualized applied academics mindful of Oregon State Standards (literacy, math, social studies and science). ● Specialist programs include Adaptive Physical Education, Art, Music/Music Therapy, Occupational Therapy, Social-Emotional Learning, Speech Therapy, and Health + Wellness. ● Transition and Work Experience Programs. ● Elective subjects rotate and include Studio Art, Coding, Financial Literacy, Forensics, Glee Club, Psychology, Criminal Justice, Film, Current Events, Woodworking, and Yearbook.
More Classroom Details	● Daily living skills practice includes accessing varied transportation, cooking, gardening, budgeting, wellness, and more. ● Critical thinking and Executive Functioning Instruction and Practice. ● Project-Based Learning approach to most subjects. ● Community Based Instruction (CBI) - Weekly outings designed to learn safety and essential skills in context, engage in daily life routines, access community and community spaces, and apply academic skills (applying safety skills, creating/utilizing shopping lists, managing

	money, making decisions, purchasing items independently, etc). ● Field Trips. ● PEERS.
